

## CF Modeling Suite Usage Regulations

1. The creators of the CF Modeling Suite and their affiliates cannot be held responsible for any harm caused by the software, intentional or accidental.
2. The CF Modeling Suite should not be used in lieu of a physician. Always consult your physician about any illness or treatments.
3. The CF Modeling Suite can only be used for non-commercial use.
4. The CF Modeling Suite may be used by physicians as a demonstrative tool.
5. If you would like to incorporate the CF Modeling Suite into any other software/work you must contact the creators at [cfmodeling@gmail.com](mailto:cfmodeling@gmail.com) to request permission for specialized usage.
